MEMORANDUM FOR CHIEF OF NAVAL OPERATIONS
COMMANDANT OF THE MARINE CORPS
ASSISTANT FOR ADMINISTRATION (AAUSN)

Subj: GUIDANCE ON INHERENTLY GOVERNMENTAL FUNCTIONS

Ref: (a) DONCIO ltr, Guidance on Inherently Governmental
Functions, of 25 JUL 00

Encl: (1) Guidance on Information Management/Information
Technology Inherently Governmental Functions

Enclosure (1) is an update of the guidance promulgated by reference (a). The Commercial Activities (CA) coding structure has been finalized for use in the FY 2000 data call. To simplify the process of assigning CA codes to Information Management/Information Technology (IM/IT) work, my office has mapped these codes to the functions in this guidance.

This guidance will continue our process of effecting positive change in IM/IT workforce management, and further clarifies our understanding of inherently governmental work. This is particularly relevant as we implement the Navy Marine Corps Intranet (NMCI).

My point of contact is Mrs. Karen T. Danis, (703) 602-6729,
Danis.Karen@hq.navy.mil.
